#### CANDIDATE STATEMENT

Professionally, I built a strong career in finance and administration, beginning as a comptometer operator with Union Oil and later working in accounting, credit card systems, and sales tax. In Vancouver, I managed foreclosed properties for Confederation Life, overseeing repairs and resale with both skill and perseverance. In Stettler, I became a trusted community leader, serving two terms as President of the Board of Trade. I also served as a member of the Pastoral Council for five years. Currently I am the Editor of the newsletter, the Divine Messenger.

For fun, I love sharing my love of writing Psyanka (Ukrainian Easter Eggs). I also love sewing, crocheting and knitting.
