

Parish of St. Joseph the Worker Xoxocotla, Mexico

Dear Friends from Canada,

We are the Salvatorian Youth from Mexico.

We are active in our parish, leading youth from across the diocese. Through activities such as prayer vigils, three-day retreats, and monthly meetings, we strive to bring young people closer to Christ.

In December, we're setting out on the adventure of a lifetime. In His mercy, God has given us the opportunity to go on a pilgrimage to the Shrine of Divine Mercy in Poland (Europe). As you can imagine, this is a very significant expense for us and would be nearly impossible to cover. That is why, for the past year, we have been raising funds to fulfill our dream of meeting the Merciful Jesus, who spoke to Faustina Kowalska right there, in Poland.

To raise funds for the trip, we decided, among other things, to sell food after Sunday Masses at our parish church, as well as on the street. We are very grateful to Father Waldemar Podlasz for agreeing to help us. That is why we are sending various small items associated with Mexico, and especially with our region of Xoxocotla, Morelos (it means, the distinctive men dressed in colorful attire, known as "Chinelos," who dance).

Thank you for your help and support for our project. We promise that if God allows us to reach the image of the Merciful Jesus, we will not forget you. We also entrust you and your families to God's Mercy.

Grateful Salvatorian youth from Mexico

with

Fr. Paul Radziejewski SDS

Pastor
